2022
Bear & Moose Hunts

Cliff Lake Resorts offers semi-guided, baited bear hunts. Stands are baited within our official Bear Management Area. Starting weeks prior to the arrival of the first hunting party – dependent on weather and natural feeding conditions. The majority of our BMA is located where access is via vehicle or by water. **Hunters are responsible for their own skinning and processing;** an indoor cleaning facility has been built at Lost Bay for our hunter's convenience, with large freezer space. The packaged bear hunts include a housekeeping cabin, private bathrooms and retrieval of your animal. The bait for the six-day bear hunt will be provided, along with an orientation of the BMA upon arrival. Bringing an ATV or 4WD vehicle is recommended.

Lost Bay Resort Non- Resident Moose Hunt

This moose hunt will appeal to the seasoned hunter that has done the calling, tracking, field dressing, and processing of their animal - Individuals will be responsible for skinning and cutting of the animal; a large freezer is available for the meat and hide. Staff is available for assistance in moving and hanging upon request.

Lost Bay Resort moose hunts include housekeeping cabin(s). If requested, a boat and motor will be provided – first tank of gas is free. An ATV or 4WD vehicle is recommended if you wish to access areas not adjacent to the lake. Ontario law requires registration and insurance from your home state, along with a helmet.

Lost Bay Resort is equipped with 1 rifle Bull Moose tag for 2022.

SOLD

A Gun hunting license from your home state is required to get a moose license in Ontario. Hunter orange clothing is also required – **camouflage orange is not acceptable in Ontario.**
