

## Cliff Lake Corp COVID-19 Response

Update as May 19th, 2021:

As the U.S. Canada Border closure continues, there are media outlets leaking information that talks to open the border are occurring. This is good news! However, it does not have any timeline or indication of when this will happen. The closure has just been extended to June 21<sup>st</sup>, 2021.

We are trying to give our guests a realistic approach as to what is happening and will happen during the 2021 season. All indicators in Canada lead us to believe the border opening will not be happening imminently and will be a gradual re-opening. Please watch for loosening of restrictions in Canada, loosening of quarantine requirements and vaccination requirements being announced to get a realistic view of when the border will open to tourism.

Our current deposit policy due to COVID is the following: If you were booked prior to March 2020 and rebooked into 2021 we will honor a request of refund. We ask that guests please try to remain patient and allow your deposit to secure your future trip with us, as this is a very difficult financial time. All guests with a deposit will have prices locked in, any new bookings – which include those with refunded deposits – will be subject to our 2022 pricing.

As previously mentioned, we have also implemented a Saturday – Friday stay at both Lost Bay Resort and Musky Bay Camp and the Outpost has been modified to Sunday – Saturday in order to allow for ample cleaning.

Please feel free to email us at [info@canadahuntingfishing.com](mailto:info@canadahuntingfishing.com) or call 888-884-8870 and we would be happy to answer any questions.

We thank each and every one of you for being a loyal guest. It is because of you that we will get through these trying times and are eager to welcome you back as soon as we can.

Thank you.
