How to find us

All three of our Resorts are easily reached from anywhere in the continent by paved highways. It's only a three-hour drive from International Falls, MN through Northwestern Ontario. This drive gives you a great introduction to the tremendous scenery that Canada offers.

- Travel East on Hwy 11 from Fort Frances to Hwy 502
- 502 north to Dryden
- West on Hwy 17 to Vermilion Bay
- North on Hwy 105... 29 miles to Cliff Lake.
- Watch for our sign on the right, driveway to the left

Fishing Information

- The Ontario government is trying to promote the sport of angling without promoting the over harvesting of fish. With that in mind they also offer a Conservation License in addition to the regular Sport Fishing License. It is recommended that you kill only what you can immediately use. Only take home what you take on any day and keep the catch on ice. For the best flavor avoid freezing and use right away.

Fishing License Information

- Conservation Licenses promote conservation principles. They cost significantly less than a regular license and involve lower catch and possession limits.
- Anyone who is not an Ontario resident must purchase a Non-Resident Sport or Conservation Fishing License and Outdoors card.
- Non-residents under 18 may fish without a license if accompanied by a licensed person. Any fish caught by an angler under 18 is considered part of the catch and possession of the person with them who holds the license.
- Non-Canadian residents need an **Outdoors Card** to fish in Ontario if they are 18 years of age and over. The sport fishing license tag (1 one year or 8 day) or the conservation fishing license tag (1 year or 8 day) accompanies the plastic Outdoors Card.
- If you have never had an Outdoors Card, you can purchase a "Non-Canadian Resident Temporary Fishing Outdoors Card and Application" wherever licenses are sold. The Non-Canadian Resident Temporary Fishing Outdoors Card and Application does not include the fishing license tag. The fishing license tag will be a separate paper permit.
- Information regarding licenses and Outdoor Cards can be found at www.mnr.gov.on.ca.
